

Worksurface Mounted Uprights

Treston worksurface mounted upright systems (also called Reagent Rack) provide excellent storage of equipment above the workstation. These systems are an ideal addition to new or existing workspaces and casework, where additional shelving is needed. Treston's worksurface mounted uprights are available in three heights and can support a range of shelf and power options.

Worksurface Mounted Uprights (15)

Code	Product	Width inches	Depth inches	Height inches	ESD	Color name	Frame material	Warranty years
