

Lab Mobile Cabinet

Lab Mobile Cabinets provide the perfect blend of durability and functionality, making them ideal for laboratory storage solutions. These mobile lab cabinets are designed for strength, mobility, and ease of use, with seamless construction and premium materials.

Key Features:

- Available in 18", 24", and 30" widths for versatile lab cabinets
- Seamless, welded lab cabinets for added durability
- Foam-filled, soundproof doors and lab drawers
- Anodized aluminum handles for professional-grade lab furniture
- Powder-coated finish to match lab casework
- Mobile lab cabinets with 3" locking casters
- Fully extending drawers in steel lab cabinets for easy access and high capacity

Perfect for mobile storage in labs, these laboratory drawer cabinets offer maximum utility for demanding environments.
