

Cabinet carts

The cart’s frame is made of solid, powder-coated steel (RAL 7035). The bottom shelf makes the cart sturdy and it can be used also as an extra storage space Eight bin cabinets to organize small-parts can be attached to the frame based on own needs.

- Powder-coated (light grey, RAL 7035) steel frame with a fixed bottom shelf.
- Maximum eight small-parts cabinets, 4 on each side, can be attached to the cart (to be ordered separately)
- Height of the fixing rails can be adjusted easily without tools
- Height adjustable ergonomic push handle
- Four swivel castors (ø 3.94"), two with brakes
- Load capacity 660 lbs, height 70.5"
- Module M30, all the upright tube accessories are available.
- Also available with ESD protection
